2016 BIG DIG

Sunday 15 May 2016 on Town beach

Each year thousands of dollars are raised at the BIG DIG for our local community projects such as the Tacking Point Lighthouse restoration, Bravehearts, Life Education and for International projects such as the Mera School in Nepal.

The event opens with Mascots Big Dog, Ditto and Healthy Harold followed by a royal dunking of the Mayor, Peter Besseling and his councillors.

The Digs on the sand commence at 11 am and we anticipate over 400 children and at least 100 adults will dig for gold! Around 1,000 people attend the event.

All diggers win a prize and we seek prize donations valued at \$30 and above.

Your Business name and donation will be advertised on a billboard at the BIG DIG. We invite you to include any further brochures or cards in your package.

Please contact Ivana Agapiou on 0404 056 278 or ivana.agapiou@gmail.com if you can help.

Thank you in advance for your generous donation towards the prize pool for the BIG DIG.
